

Science Curriculum

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1	Animals including Humans (Ourselves)	Uses of Everyday Materials Plants (harvest)	Rocks	Living Things and Their Habitats – Classification of Living Things Food Chains	Properties and changes of Materials Keeping warm	Classification of living things Animals including humans
Autumn 2	Sound and Hearing		Animals including Humans Teeth and eating	Forces and Friction		
Spring 1	Plants	Animals including Humans Plants Forces and movement	Forces & Magnets	Electricity	Forces	Light and Electricity
Spring 2	Light / Dark			Sound	Earth and Space	
Summer 1	Pushes and Pulls	Plants Living Things and Their Habitats Electricity	Plants	Animals including Humans	Living Things and Their Habitats Life cycles	Evolution & Inheritance
Summer 2	Everyday Materials		Light	States of Matter The Water Cycle	Animals including Humans Life cycles	
Continuous	Seasonal Changes Working scientifically	Plants / Seasonal Changes Working scientifically	Seasonal Changes Working scientifically	Seasonal Changes Working scientifically	Seasonal Changes Working scientifically	Seasonal Changes Working scientifically

Red = non-statutory
