

Primary PE and Sport Premium Report for 2016/2017

The Primary PE and Sport Premium was launched by the government in April 2013 and is available for four years to July 2017. It is ring-fenced funding to be used by the school to achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (below) that will live on well beyond the Primary PE and Sport Premium funding.

The national vision is for: *“All pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”*

In academic year 2016/17, we will/have received £9, 605. Having consulted with pupils, staff and parents, and to support our wider vision and plans for PE and sport, we have/plan to spend the Premium in the following ways.

<i>How the money will be spent under each Key Indicator</i>	<i>Amount</i>	<i>Targeted pupils</i>	<i>The IMPACT on pupils (actual or expected)</i>	<i>Sustainability / What Next?</i>
1. The engagement of <u>all</u> pupils in regular physical activity – kick-starting healthy active lifestyles, including any additional provision for swimming funded by the premium.				
Play Leader Training - Coached pupils as Playground Leaders for Year 4, 5 and 6 (Assignment to Gold package with Stockton School Sport Partnership)	£950 (Assignment to Gold package with Stockton School Sport Partnership)	Play Leaders and all children at playtimes/lunchtimes	The 28 children trained to manage and lead playtime activity now demonstrate their skills each day and as a result the other children are now more active, they receive knowledge and support from the play leaders and there are less behaviour incidents.	The pupils have facilitated games with KS2 children that will continue to be played and shared into the future.

<p>Funky Food and Active Feet Equipment and Ingredients (specialised after school club that targeted less active pupils)</p>	<p>£60</p>	<p>Targeted KS2 Children</p>	<p>18 KS2 children were identified as less active, and they were invited to take part in a club. The children involved have increased their activity levels and now are able to articulate and demonstrate a secure knowledge of how to lead healthy, balanced lives, which includes the importance of exercise.</p>	<p>Electrical items can be used year to year. Supporting staff are attending sessions to further their knowledge, allowing them to lead future sessions. The children presented an assembly to the school to share their knowledge.</p>
<p>HoopStarz Event and After-school Club</p>	<p>£40</p>	<p>Targeted KS2 children</p>	<p>Following on from attending the HoopStarz sporting event organised by the Stockton Sports Partnership (20 children and 2 staff attended), 20 different children took part in a Hoop Stars after-school club. The staff, having been upskilled at the original out of school event, were able to deliver engaging and fun sessions for these children. This provided 40 children with access to a non-competitive or traditional sport to encourage them to become active with a healthy lifestyle.</p>	<p>Staff members who attended the event are permanent members of staff and can pass their knowledge and expertise on to others so that this fun and engaging activity can continue in the future.</p>
<p>Appointment of Sports Coach</p>	<p>£6,621</p>	<p>SEN and targeted mainstream pupils</p>	<p>Our Sports Coach has delivered top-up swim sessions to 66 SEN and targeted mainstream pupils within the school's Hydro Pool, this engaged them in extra physical activity, improved their confidence and nurtured their swim skills.</p>	<p>A supporting adult was present during these sessions to gain knowledge and experience in order to lead future sessions should the Sports Coach have been unable to attend.</p>

2. The profile of PE and sport being raised across the school as a tool for whole school improvement				
<p>Accessed Facilitated Sports Competitions and Festivals (Assignment to Gold package with Stockton School Sport Partnership)</p>	<p>£950-as above (Assignment to Gold package with Stockton School Sport Partnership)</p>	<p>Sports Crew</p>	<p>10 Year 5/6 pupils were given the opportunity of taking on leadership roles at intra school level (School Games Organising Crew). The children feel empowered to manage and lead competitions in mutual agreement with staff for the whole school and sport is now no longer adult-led.</p>	<p>We have a rolling year on year Sports Crew of Year 5 and 6 pupils to ensure a continuity in the transfer of information and knowledge as the Year 6's leave.</p>
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport				
<p>CPD (Assignment to Gold package with Stockton School Sport Partnership)</p>	<p>£950-as above (Assignment to Gold package with Stockton School Sport Partnership)</p>	<p>Teachers and all children</p>	<p>All teaching staff have attended various courses to upskill them and help teach PE and sport more effectively. This has enriched pupils' learning experiences and has provided delivery of high quality PE sessions, including the use of equipment for SEN.</p> <p>We subscribed to PE Primary, sportscoach.co.uk and Youth Sports Trust, which has aided with planning and furthered teaching ideas to support a skills based approach to teaching sport to all pupils.</p>	<p>Teaching and supporting staff continue to be trained and feel equipped to teach high quality PE to future year groups. NQT's are targeted to attend courses and regular staff meetings ensures the sharing of expertise.</p>
<p>Appointment of Sports Coach</p>	<p>£6, 621-as above</p>	<p>Staff, NQTs</p>	<p>Our Sports Coach has shared expertise and knowledge with existing staff. This has ensured that teachers new to the school were suitably confident and delivering sporting activities and lessons with a consistent whole school approach to help raise achievement. This</p>	

			extended to after-school clubs that have been led by our Sports Coach with the support of additional staff to watch and learn new skills.	
4. Broader experience of a range of sports and activities offered to all pupils				
Appointment of Sports Coach	£6, 621- as above	SEN pupils and targeted children	The Sports Coach provided extra PE sessions, including a specified SEN slot where 29 less active children were able to utilise the specialist equipment we have in school. This increased pupil confidence and enjoyment in sport.	We will continue to use the specialist equipment and will be trained to use future equipment that is purchased for our school dependent on the individual and specific needs of the SEN pupil intake. We have raised money to buy a school mini bus to allow the school flexibility in the competitions and events that our pupils can attend.
Transport to Competitions/Festivals	£1784	All Children	We provided opportunities for all pupils to attend sporting events and competitions, including G&T, SEN and ARP pupils who needed wheelchair adaptable transport. This ensured a maximum amount of child participation in sporting activity and raised achievement in sport throughout our school.	
5. Increased participation in competitive sport				
Access to Facilitated Sports Competitions and Festivals (Assignment to Gold package with Stockton School Sport Partnership)	£950-as above (Assignment to Gold package with Stockton School Sport Partnership)	All children	We provided opportunities for participation in organised cluster events and sports festivals, for all pupils inclusive of SEN and ARP. This increased pupil confidence, furthered their learnt skills and provided enjoyment of sport within a competitive environment.	The children will continue to access the cluster events through this scheme.

Number of Pupils on Role		
Total Funding 2016-2017	£9,605	
Total Anticipated Spend	£9,605
