

Whitehouse Primary

Parent Support

Did you know there are lots of services in your area that can offer help and support as a Parent?

Stockton Directory

Stockton Directory has lots of useful links for Parents including all services available in your area and information to help you with specific issues you may be facing with Parenting.

Follow the link below:

<https://www.stocktoninformationdirectory.org/kb5/stockton/directory/home.page>

Family Hubs

Did you know you can access a whole range of services, at your local family Hub including parenting groups and support classes for you and your child? They also have access to health services within your area.

Follow the link below to have a browse;

Health services

This service works together to promote the health, development and well being of children, young people and families in the Stockton area. The service aims to provide you with information on all health services in the area and offer advice and support to you and your family.

The service is made up of:

Health Visitors

Public Health Nurses (formerly known as School Nurses)

Junior Public Health Nurses (formerly known as Community Staff Nurses)

Healthy Child Practitioners (Nursery Nurses with additional training in child development and behaviour) and many more professionals and health services.

Tel: 03333 202 302

Parent Support

My name is Victoria Gibson and I am your point of contact at Whitehouse primary school, if you find you are unable to find support through the other services available I am here to help.

I have experience with dealing with many issues such as :

- Support with attendance issues.
- Ensuring you are receiving any financial help that is available to you.
- Giving you information on services and activities in your local area.
- Being an informal, impartial link between home and school.
- Behaviour management advice.

Early Help

Early help support is given to a family when a problem first emerges. It can be provided at any stage in a child or young persons life. Early help services can be delivered to parents, children or whole families, but their main focus is to improve outcomes for children. If Early help is identified I would be able to support you or your child with this process.

If you require any support or advice I can be contacted via the contact form

Look out for...

Tea and Tots

Play group for toddlers and babies, enjoy a coffee with other parents while your little ones are entertained.

Parent coffee Mornings

Get together over coffee and cake while supporting some worthy causes.

Parent and child craft sessions

Come along and enjoy the arts and crafts and spend some one to one time with your child.

Lots more coming soon!!
