Dear Parents/Carers,

If a member of your household has a positive PCR test for Covid and they have been told to isolate then you must follow the most up-to-date guidance which can be found at:

<https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/>

It states that anyone one under 18 years does not have to self-isolate.

However, we would of course ask parents/carers to be vigilant and if the children have any Covid symptoms then to stay at home and book a PCR test as soon as you are able. Should the PCR test be negative then the children can return to school.

Symptoms to look for can be found at:

<https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/>

Once school reopens, we will be following the latest DFE Guidance, which can be found at:

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/schools-covid-19-operational-guidance>

Yours sincerely,

Mrs S. Randle
Head Teacher
