'Learning is a treasure which accompanies its owner everywhere.'
- Chinese Proverb

Dear Parents and Carers,

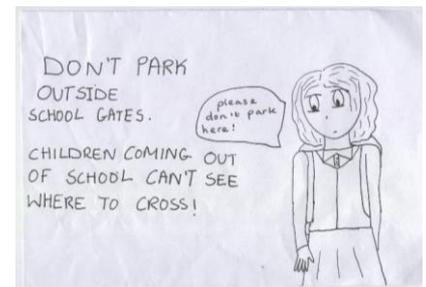

Welcome back to the new academic year and a very warm welcome to those who are joining the school for the first time. I hope that you all had an enjoyable summer holiday. It has been a fantastic start back to the new term. I was watching the children last week in school with settled learning and all enjoying being with their friends again after the summer holidays. They all looked so happy to be back and sharing all their news!

Parent Support Adviser

Our Parent Support Adviser is Mrs Gibson. She is very knowledgeable about the range of services available to parents in Stockton and is willing to answer any enquiries and find information for you that will help in supporting your child at school. Her contact number is 07949612489 or email at whvGibson@sbcschools.org.uk.

School Calendar

With this letter you will find a school calendar with all the events planned for the next term. For some events and after-school clubs, additional letters will be sent out to the pupils concerned giving further information. Although dates are correct at this time sometimes things change so please look out for letters coming home or via e-mail

Covid Guidance

Along with this letter, you will also find updated Covid guidance. There has been a significant change to the DFE guidance and therefore we have produced a summary sheet to help parents.

Along with the staff, governors, children and parents I look forward to another term filled with happy school events and good educational opportunities for all the children. Thank you for your continued support of our school and your children in school.

Yours sincerely,

Mrs S Randle
